INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Child Care Aware of Washington

Report on the Financial Statements

We have audited the accompanying financial statements of Child Care Aware of Washington (a nonprofit organization), which comprise the statements of financial position as of June 30, 2018 and 2017, and the related statements of activities and changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Child Care Aware of Washington as of June 30, 2018 and 2017, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 26, 2019, on our consideration of Child Care Aware of Washington's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and in considering Child Care Aware of Washington's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2018 AND 2017

NOTE 1 – NATURE OF ORGANIZATION

The Washington State Child Care Resource & Referral Network dba Child Care Aware of Washington (CCA of WA) is a nonprofit dedicated to ensuring that every child in Washington has access to high-quality child care and early learning programs. As a statewide organization, we influence child care and early learning policies while also delivering the means to make a positive difference for all children, including those furthest from opportunity.

We implement Early Achievers, Washington’s Quality Rating and Improvement System that delivers high-quality training and professional development opportunities to child care providers across our state. Early Achievers delivers research-based, culturally-responsive best practices to providers so they may offer care that improves the lives of children and families, and helps close the opportunity gap.

With our Child Care Aware of Washington Scholarships program we have a direct impact on early learning professionals who can enrich their expertise via higher education. We currently fund scholars across the state who are pursuing Bachelor’s degrees in early childhood education.

Child Care Aware of Washington also connects families to high-quality child care programs through our Family Center, which assisted more than 16,500 families in 2018. For more than 28 years Washington families have come to rely on us to help them find quality child care that meets their needs.

We are a managing network of six local member child care resource and referral programs housed in a variety of host organizations across the state. The CCA of WA Network subcontracts with these organizations to provide local child care resource and referral services, which include, but are not limited to, child care provider training, technical assistance and coaching, and outreach to parents and family, friend and neighbor caregivers. The CCA of WA Network serves as an information hub for the child care and early learning fields, leads and contributes to state and national policy and advocacy efforts and collects, compiles, analyzes and disseminates child care supply and demand data.

Created by state statute in 1986 and incorporated in 1989, the CCA of WA Network, formerly known as the Washington State Child Care Resource & Referral Network, is the only association of child care resource and referral agencies in the State of Washington.

THE WASHINGTON STATE CHILD CARE RESOURCE & REFERRAL NETWORK
(dba Child Care Aware of Washington)

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2018 AND 2017

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements are presented in accordance with Accounting Principles Generally Accepted in the United States of America (GAAP). Nonprofit organizations are required to report information regarding their financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

The net assets of CCA of WA are classified as follows:

Unrestricted net assets: Net assets that are not subject to donor-imposed stipulations. The Board of Directors can designate funds as an operating reserve for current operations.

Temporarily restricted net assets: Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Organization and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. There are no temporarily restricted net assets at June 30, 2018 or 2017.

Permanently restricted net assets: Net assets subject to donor-imposed stipulations that may be maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income earned on any related investments for general or specific purposes. There are no permanently restricted net assets at June 30, 2018 or 2017.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures in these financial statements. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents include all deposits in banks and highly liquid investments with original maturity dates of less than three months. The carrying value of cash and cash equivalents approximated fair value because of the short maturities of those financial instruments.

THE WASHINGTON STATE CHILD CARE RESOURCE & REFERRAL NETWORK
(dba Child Care Aware of Washington)

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2018 AND 2017

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Promises to Give

Unconditional promises to give are recognized as revenues or gains in the period received and as assets, decreases of liabilities, or expenses depending on the form of benefits received. Conditional promises to give are recognized in the financial statements when the conditions on which they depend are substantially met and the promises become unconditional. There were no unconditional promises to give at June 30, 2018 and 2017.

Property and Equipment

Equipment includes office furniture and fixtures and are stated at cost, if purchased, and at estimated fair value at the date of gift, if donated. Depreciation is computed using the straight-line method over the estimated useful lives of the property, which range from three to five years. Generally, acquisitions with a cost or estimated fair value in excess of \$1,000 and an estimated useful life of one year or more are capitalized. Equipment and furnishings costing less than \$1,000 per item are expensed when purchased.

Deferred Contract Revenue

Deferred revenue consists of unearned receipts on cost reimbursable grants or contracts.

Functional Allocation of Expenses

The CCA of WA Network's federal award contracts, as passed through the State of Washington, include specific performance requirements for some activities that are often considered management and supporting services. For example, the Statements of Work in the contracts require the CCA of WA Network to provide technical assistance to member agencies; to administer the Washington Scholarships program; to operate a public information telephone line; and to provide information to child care professionals and the general public regarding resource and referral services in Washington. The performance of these services and their associated costs are considered Program functions.

The CCA of WA Network identifies and allocates certain overhead expenses, when material, to functional categories on the basis of overall CCA of WA Network efforts expended in these areas. Allocated expenses during the years ended June 30, 2018 and 2017 primarily include salaries, subcontractor fees, rent and insurance, among other costs.

THE WASHINGTON STATE CHILD CARE RESOURCE & REFERRAL NETWORK
(dba Child Care Aware of Washington)

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2018 AND 2017

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income Tax

The Internal Revenue Service has recognized CCA of WA Network as exempt from federal income tax as an entity described in Section 501(c)(3).

CCA of WA Network follows GAAP for financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return. For those benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. For the years ended June 30, 2018 and 2017, CCA of WA Network has no material uncertain tax positions to be accounted for in the financial statements. Typically, the U.S. federal tax returns are open to examination for a period of three years after the filing date.

Date of Management Review

Management has evaluated subsequent events through February 26, 2019, the date the financial statements were available to be issued.

Pending Accounting Pronouncements

In August 2016, the FASB issued ASU 2016-14, Presentation of Financial Statements of Not-for-Profit Entities. The ASU will change the way all Not-For-Profits classify net assets and prepare financial statements. It is effective for annual financial statements issued for fiscal years beginning after December 15, 2017 and for interim periods within fiscal years beginning after December 15, 2018. Management is currently evaluating the impact this update will have on the Organization's financial statements.

THE WASHINGTON STATE CHILD CARE RESOURCE & REFERRAL NETWORK
(dba Child Care Aware of Washington)

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2018 AND 2017

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Pending Accounting Pronouncements

In August 2015, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2014-09, Revenue from Contracts with Customers (Topic 606). The new standard is effective for reporting periods beginning after December 15, 2018 and early adoption is permitted. This comprehensive new standard will supersede existing revenue recognition guidance and require revenue to be recognized when promised goods or services are transferred to customers in amounts that reflect the consideration to which the company expects to be entitled in exchange for those goods or services. The standard also requires expanded disclosures regarding revenue and contracts with customers. The guidance permits two implementation approaches, one requiring retrospective application of the new standard with restatement of prior years and one requiring prospective application of the new standard with disclosure of results under old standards. Management is currently evaluating the impact this update will have on the Organization's financial statements.

In February 2016, the FASB issued ASU No. 2016-02, Leases (Topic 842). The new standard is effective for reporting periods beginning after December 15, 2019 and early adoption is permitted. The standard will require lessees to report most leases as assets and liabilities on the balance sheet, while lessor accounting will remain substantially unchanged. The standard requires a modified retrospective transition approach for existing leases, whereby the new rules will be applied to the earliest year presented. Management is currently evaluating the impact this update will have on the Organization's financial statements.

NOTE 3 – CONCENTRATIONS AND CREDIT RISK

The Organization maintains cash in checking and savings accounts in depository institutions. These cash deposits are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. The Organization periodically maintains cash balances in excess of FDIC coverage. Management considers this to be a normal business risk.

Contracts, including those recorded as fees for service, accounted for approximately 99% of total revenues and other support for 2018 and 2017. The contract receivables are not collateralized; however, credit risk with respect to such receivables is limited due to the governmental nature of the creditors and the underlying contractual arrangements.

THE WASHINGTON STATE CHILD CARE RESOURCE & REFERRAL NETWORK
(dba Child Care Aware of Washington)

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2018 AND 2017

NOTE 4 – PROPERTY AND EQUIPMENT

Property and equipment and accumulated depreciation are as follows at June 30:

	<u>2018</u>	<u>2017</u>
Furniture and equipment	\$ 389,044	\$ 377,043
Leasehold improvements	<u>-</u>	<u>15,318</u>
	389,044	392,361
Less accumulated depreciation	<u>(370,796)</u>	<u>(368,020)</u>
	<u>\$ 18,248</u>	<u>\$ 24,341</u>

NOTE 5 – CONTRACT REVENUES AND RECEIVABLES

Contract revenue consisted of the following for the years ended June 30:

	<u>2018</u>	<u>2017</u>
Federal awards:		
Washington State Department of Early Learning	\$ 11,819,562	\$ 5,273,135
State, local and contractor funds:		
Washington State Department of Early Learning	<u>11,725,188</u>	<u>17,495,945</u>
Total contract revenue	<u>\$ 23,544,750</u>	<u>\$ 22,769,080</u>

Contract revenue receivables consisted of the following at June 30:

	<u>2018</u>	<u>2017</u>
Washington State Department of Early Learning	\$ 4,997,016	\$ 4,098,554
Other	<u>5,001</u>	<u>17,145</u>
	<u>\$ 5,002,017</u>	<u>\$ 4,115,699</u>

THE WASHINGTON STATE CHILD CARE RESOURCE & REFERRAL NETWORK
(dba Child Care Aware of Washington)

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2018 AND 2017

NOTE 6 – OPERATING LEASES

Effective August 1, 2017, the CCA of WA Network entered into a non-cancelable operating lease for office space that expires in July 2023. The lease addendum contains escalating rents which will be amortized on a straight-line basis over the lease term. In addition, CCA of WA Network is responsible for additional rent that includes their proportionate share of the lessor's operating expenses.

Future minimum annual lease commitments are as follows for the years ending June 30:

2019	\$ 144,600
2020	148,932
2021	153,420
2022	157,992
2023	<u>162,720</u>
Total minimum lease payments	<u>\$ 767,664</u>

Rental expense for the years ended June 30, 2018 and 2017 was \$129,400 and \$127,079.

NOTE 7 – BENEFITS AND RETIREMENT PLAN

Effective July 1, 2000, the CCA of WA Network began sponsoring a benefits and retirement plan that is available to substantially all employees where employees receive a total benefit allowance per month and can allocate the allowance to pay for medical and other benefits, with the remainder allocated to their retirement plan, or the whole amount allocated to their retirement account if other benefits are not selected. Under the plan, employees may elect to defer a portion of their salary subject to annual limits under Section 403(b) of the Internal Revenue Code. In 2018 CCA of WA Network contributed a total of \$825 or \$700 per employee per month, depending on elections made, and in 2017 contributed \$750 per employee per month to a benefits package, with the employee deciding how much, if any, to contribute to their individual 403(b) retirement account. The total employer 403(b) contributions for the years ended June 30, 2018 and 2017 were \$101,720 and \$80,153.

**NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
JUNE 30, 2018**

NOTE 1 – BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards includes the federal grant activity of The Washington State Child Care Resource & Referral Network dba Child Care Aware of Washington (CCA of WA) under programs of the federal government for the year ended June 30, 2018. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. Because the Schedule presents only a selected portion of the operations of CCA of WA Network, it is not intended to and does not present the financial position, changes in net assets, or cash flows of CCA of WA Network.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

NOTE 3 – INDIRECT COST RATE

CCA of WA Network did not elect to use the 10 percent de minimis indirect cost rate. They chose to use actual expenses incurred. For the year ending June 30, 2018, the Organization expended indirect expenses of \$884,880 or about 7.5% of direct program expenses.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors of
The Washington State Child Care Resource & Referral Network
dba Child Care Aware of Washington

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Child Care Aware of Washington (a nonprofit organization), which comprise the statement of financial position as of June 30, 2018, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated February 26, 2019.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Child Care Aware of Washington's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Child Care Aware of Washington's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of Child Care Aware of Washington's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Child Care Aware of Washington's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

February 26, 2019

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR
EACH MAJOR PROGRAM AND ON INTERNAL CONTROL
OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Directors of
The Washington State Child Care Resource & Referral Network
dba Child Care Aware of Washington

Report on Compliance for Each Major Federal Program

We have audited Child Care Aware of Washington's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Child Care Aware of Washington's major federal programs for the year ended June 30, 2018. Child Care Aware of Washington's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Child Care Aware of Washington's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Child Care Aware of Washington's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Child Care Aware of Washington's compliance.

Opinion on Each Major Federal Program

In our opinion, Child Care Aware of Washington complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2018.

Report on Internal Control Over Compliance

Management of Child Care Aware of Washington is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Child Care Aware of Washington's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Child Care Aware of Washington's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
